Welcome Back

We hope that you have all had an enjoyable and relaxing break during the holidays. We are looking forward to an interesting and challenging year. All of the children have settled in well to the school routines this week and our new kindergarten students have made a fantastic start. We are looking forward to working closely with the parents and community to provide outstanding educational opportunities for our students in 2012.

Food Allergies

We would like to send out an urgent reminder about allergies. Due to students with food allergies and the importance of keeping all students safe at school we ask parents not to send foods containing nuts (e.g. peanut butter, nut bars), fish (e.g. tuna) or eggs in their children's lunch boxes. We thank you for your support in this very important matter.

Bundanoon Swimming Carnival

On Wednesday 15 February our whole school, along with Avoca and Glenquarry Public Schools, are going to Bundanoon Pool for a small swimming carnival. The children will be catching a bus to and from the pool. They will be participating in 25 and 50 metre age races. The non-swimmers will be having novelty events in the small pool. All non-swimmers will wear a red wrist band and will not be allowed in the larger pool.

Please make sure that sunscreen, hats and rash shirts are packed.

There is a canteen for the children to purchase food items if they wish.

We will be back at school in time to connect up with the Bowral and Robertson buses. Parents are most welcome to attend.

Staffing News

We welcome Ben Ross to our teaching staff. Ben will be teaching the Primary class on Tuesdays and the Infants class on Wednesdays. Ben will be focussing on the Talking and Listening strand of English, the Measurement strand of Mathematics and the Drama strand of Creative and Performing Arts.

Janet John will be holding the fort in the office on Wednesdays. We also welcome her to our school.

Thank you

We would like to thank Joyce Whatman for the fabulous job that she did during the holidays in taking care of the vegetable patch and the chooks and for keeping a watchful eye on our school.

We look forward to harvesting, selling, cooking and eating the wonderful produce from our garden and chickens.

Thanks also to the Whatman family for the donation of two new chooks.

P and C News

The next P and C meeting will be held on Wednesday 8th February at 6.30pm. It will be an A.G.M. so we are looking forward to seeing as many of you as possible in our library.

Please find following the thank you message that Jan wrote to the school...
